I AM A LONG HAUL TRUCK DRIVER AND THE XM RADIO HELPS TO MAKE MY JOB ALOT EASIER BY GIVING ME INFORMATION ABOUT ACCIDENTS. WEATHER CONDITIONS, AND ROAD CLOSINGS. IN SOME OF THE METRO AREAS THE LOCAL NEWS LETS ME KNOW WHAT IS HAPPENING WITH THE TRAFFIC AND IF I NEED TO DETOUR AROUND SOME AREAS. I DEPEND ON THE UPDATES TO HELP ME AVOID CONGESTED AREAS AND THEREBY AVOIDING A POSSIBLE WRECK. BILL MACK , DAVE NEMO, AND OTHERS TRY TO KEEP UP WITH ALL AREAS AND ALERTS THE DRIVERS TO AVOID POSSBILE PILE UPS ON THE ROADWAYS. I CAN TUNE IN TO ONE CHANNEL WHEN I START MY TRIP AND NEVER HAVE TO CHANGE THE CHANNEL AGAIN THE WHOLE TRIP. THEREFORE; I AM NOT DISTRACTED FROM MY DRIVING TRYING TO CHANGE STATIONS.

I PAY FOR THIS SERVICE OUT OF MY POCKET AND I DO NOT WANT IT TAKEN AWAY FROM ME. IT HELPS TO MAKE THE ROADS SAFER FOR EVERYONE BY KEEPING US INFORMED AND DOESN'T SAFER DRIVING MEAN SOMETHING? I THINK IT DOES. PLEASE DO NOT LET NAB TAKE AWAY OUR RIGHT TO HAVE THE RADIO SERVICE WE WANT AND NEED.
